

Tanager Bank — CRA Assessment Area Map

Uinta, Sweetwater, and Teton Counties, Wyoming | 2020 Census Tract Boundaries, shaded by 2024 FFIEC tract income level

Moderate income tract Middle income tract Upper income tract County (assessment area) boundary ★ Branch / office location

Prepared for CRA compliance purposes. Assessment area delineated as the whole counties of Uinta, Sweetwater, and Teton, Wyoming (whole geographies; no low- or moderate-income census tracts excluded). County panels shown separately as Teton County is non-contiguous with Uinta and Sweetwater Counties. Tract boundaries: U.S. Census Bureau 2020 TIGER/Line cartographic boundary files (1:500,000); tract income levels: FFIEC 2024 Census Report - Summary Census Income Information (tract vintage unchanged at 2020 through the current decade). No Low-income tracts are present in this assessment area per the 2024 FFIEC data. Branch pin positions are approximate (town-level). Map prepared August 2026.
